Recommendation

That the committee notes traffic order consultation and decides what comment, if any, it wishes to make in response.

Purpose of the Report

To review the amendment to off street parking places traffic orders for Devizes as set out in the formal consultation.

Background

It has been brought to the attention of officers that Wiltshire Council have commenced the formal consultation period ahead of the implementation of amended traffic order for off street parking in Devizes. The order, doc 8/1 sets out the following changes.

- The ability to charge in the Market Place between 8am and 6pm
- Charging for Sundays in all car parks
- Changes to season ticket prices
- Night time charging, although this is not clear as the order only deals with Sundays and Bank Holidays.

It is normal for the Council to be consulted on traffic order directly but at the time of this agenda preparation no formal notification has been received and given the deadline for responses officers felt it would not be prudent to wait for it to be received.
