During discussions the committee favoured that the Governance Review working party continue to work with Bishops Cannings and Roundway Parish Councils to find an amicable solution to the current boundary anomalies. From the options put forward there was a general agreement that the whole of Roundway parish and the whole of Devizes town should merge however it recognised that there needs to be some tidying up of the Bishops Cannings boundaries.

It was proposed by Councillor East, seconded by Councillor Ody and UNANIMOUSLY agreed

THAT the Governance Review working party continue to work with Bishops Cannings and Roundway Parish Councils and take the views expressed by the Council.

176. QUESTION TIME

Councillor East asked if the Town Council had received notification of the road closure for works carried out to the pavement on the High Street.

The Deputy Town Clerk responded that the normal notification for road closures had been received. However there was supposed to have been email send to the Town Clerk the week before which there is no records of being received. Apparently as it was a repair the normal rules do not apply. However Wessex Water are keeping officers up to date on works being carried out at Castle Court, they have recently contacted the office to advise that due to sickness the works have been delayed by approximately a week.
