7. REPORT FOR INFORMATION – DEVIZES COMMUNITY DAYS

Sarah Hanks, the Community Co-ordinator for Devizes Area Board has forwarded the weeks allocated for community days in the town. Whilst a week has been allocated, we share these days with other parishes, so the stewards will not be exclusively in town for the whole week.

The purpose of the visit is to attend to issues such as pothole repairs, additional cleaning and weeding etc.

Should members have tasks that they would like to have prioritised, they can either report them to officers a week or so before the visit or if they want a discuss issues in more detail, she attended the start of each area board meeting between, 6.00 and 6:30pm

Ditches & Grips (Channels)

Wiltshire Council's grip cutting program is now underway. They will be working through all the main roads in the area, starting on A roads and then working their way to unclassified local roads. There will be a separate program running parallel with this to tackle localised flooding in certain areas, which can be cleared by the Community Team. Sarah Hanks will be working through this with the contractor. If there are any grips within the Devizes area which are in need of urgent attention, please let officers know so the information can be passed on in order that they can be inspected and prioritised where appropriate.

Grass Cutting Maps

Please find below the web address to the GIS fusion layer for Local Highways. Various parishes have trialled this over the past few months with great satisfaction, so now it is available for all to use.

NOTE – When using the mapping system, please ensure you tick the GROUNDS MAINTENANCE box on the right hand side otherwise you will not be able to see what is maintained by Wiltshire Council. Also, please do not use the PARISH/TOWN option in the search box as it will come back with an error. You can still search under the ADDRESS Web Address
